Ramesh Menon : Siva: The Siva Purana Retold before purchasing it in order to gage whether or not it would be worth my time, and all praised Siva: The Siva Purana Retold:

1 of 1 people found the following review helpful. Yet to complete the book, and about half way through.By WhyThis is one of the purest siva puran books you may found, a bit purest to the evolution and formation of gods , earth and all. But I am kind of lost some times as the narration breaks in middle, for example a chapter he talks about death of Sati and the next chapter he starts a story with siva and parvathi in it. And I often confused a lot following his transition between Rudra, and Siva, and Sivas. Bit exaggeration of romance more than needed. I will try to update my review once I have completed the book.0 of 0 people found the following review helpful. Five StarsBy Dr. R.Great book!1 of 2 people found the following review helpful. Great stories of Mahadeva SivaBy larry alottaGreat myths of Lord Siva, reads like a epic fantasy novel - the battle scenes rival anything Conan took part in, lots of decapitations and rivers of blood. Great stuff. Oh, and it is a very spiritual book - reading this book assures every material comfort in this long and satisfying life and moksha after. How awesome is that? Aum Nama Shivai

'One day of Brahma has 14 Indras;his life has 54,000 Indras,One day of Vishnu is the life time of Brahma.The life time of Vishnu is one day of Siva There are eighteen Mahapuranas,great Puranas,and the Siva Purana is one of them.The book,Siva is a vivid retelling of the Siva Purana for today's reader.The book contains all the major legends of Siva,bringing them alive again for a new generation. The characters and events one encounters here are awesome,many are cosmic.Siva himself is the Auspicious One.He is Mahadeva,the greatest God.

About the AuthorRamesh Menon,the author is well known to ians by his popular titles Mahabharata and Krishna.
